Wide awake in my slumber
Dishes pilin' to the sink
I caught a glimpse and I was sleepin'
I tried on other faces
I tried on other spaces
Yeahâ^;

Contagious abandon
I'm addicted to the charm
Some people give other people
A licence to take chance
A licence to make a change
Woahâ^;

Sleep in your darkness
Or walk on water and back again
Sleep in your thoughts now
Or try on other souls again, oh

[Chorus]
Awaken'
Awaken'
Awaken'
Awaken'

Wrestle with bravado
But you love it desperately, yeah
You and me we're part of each other
I will see you when I'm dreamin'
May I see you when I dream

Oh, sleep in your darkness
Or walk on water and back again
Sleep in your thoughts now
Or try on other souls again, oh

Awaken'
Awaken'
Awaken'
Awaken'

If I could find myself a human race

That remembers my divine place
I could enter a life without a trace'

Stoke the fire, we're home tonight
We'll fall to pieces and start again
Sleep in your souls or try on other thoughts again

Awaken'
Awaken'
Awaken'
Awaken'

[Instrumental To End]
