You couldn't see through watchin'
But on the second month of the year
We would brave a deluge
In the hope he was righteous

And as he made his restorations
After forty days and forty nights
He said everywhere there will be ocean
But no one to apologise

[Music]

You couldn't listen through hearin'
Through your spirit like tapestry
He said fight fire with fire
Even if you have to borrow sunlight

[Chorus]

But we couldn't look back for fear of movin' on
And although the space between us could be redrawn
We're still lyin' down in history's biggest storm

It was a pageant of impossible
Of pure devotion
In a wooden city
Waving to his children's children

He was branded a heretic
He's got his eyes on a sequel
You can exhale now
As you rest on a mountain

But we couldn't look back for fear of movin' on
And although the space between us could be redrawn
We're still lyin' down in history's biggest storm

[Music]

So you can come home now
You can come home now
Yeah, you can come now

You can come home nowâ€¦

But we can't look back for fear of movin' on
And although the space between us could be redrawn
There's a line of people flyin' too close to the sun
We're still lyin' down in history's biggest
Storm - woah-oh-oh-ohâ€¦
Storm - woah-oh-oh-woahâ€¦
Storm - woah-oh-oh-ohâ€¦
Storm - woah-oh-oh-oh-woahâ€¦

You can come home now
(You can come home now)
Yeah, you can come home now
(You can come home now)
You can come home now
(You can come home now)
You can come home now
(You can come home now)
