Yeah yeah yeah hey hey oh
Yeah

When the feeling returns
When my blood runs back
My limbs feel ghostly
Where I counter attacked
The feeling's mutual
We weave the same thread
Our lives are nocturnal
But we're almost ahead

I wish I could
I wish I could unsay what was said
If I had the chance to start over again
I wish I could
I wish I could unsay what was said
If pins and needles claim me
Tell them I was caught in my own web

Out of the corner of my eye
Some crazy sky
Creeping up on us
I couldn't figure out why
Ghostly mostly
But a long way back
A lot of he said
But she said that

I wish I could
I wish I could unsay what was said
If I had the chance to start over again
I wish I could
I wish I could unsay what was was said
If pins and needles claim me
Tell them I was caught in my own web

My own web
My own web
My own web
My own web

Yeah yeah yeah hey hey oh
Yeah, in my own web

I wish I could
I wish I could unsay what was said
If I had the chance to start over again
I wish I could
I wish I could unsay what was said
If pins and needles claim me
Tell them I was caught in

Yeah yeah yeah hey hey oh
Yeah, in my own web
Yeah yeah yeah hey hey oh
Yeah, in my own web
