Dawn says almost everything
Passing in front of you and me
Disguised as a memory
We're all guilty and under the influence - of gravity
But I'm so partial to those moments with you
Oh, I'm so partial to those moments with you

Oh-woahâ€¦
Oh-woahâ€¦

I've bathed in our own lament
When we were flashing in front of my eyes
And I and I and me are my own worst enemies
But I hope you'll see the best of us in time

[Chorus]
I'm waitin' now for this cause to take effect
I'm waitin' now - I am
And though you're standing up high on this precipice
I'm waitin' now - I am
Waitin' now
I am
I am

Oh, I'll kneel before my, before my detriment
Before my stomach starts churning both inside and out
I've been broken down before (ah, ah, ah)
And this apartment is still a mess (ah, ah, ah)

I'm waitin' now for this cause to take effect
Waitin' now - I am
And though you're standing up high on this precipice
I'll wait for you - oh, I am
I'm waitin' now
Ohâ€¦ I am

[Music]

Woahâ€¦ woahâ€¦
I'm
Woahâ€¦ woahâ€¦

I'm waitin' now
I'm waitin' now
Waitin' now - I am
And though we're standing up high on this precipice
I'll wait for you - 'cause I am
I'm waitin' now
Oh! I am
I am
I am
I am
