I finally found myself a little paradise
Deep in the darkest depths of hell
Nobody knows I'm down here, but I like it like that
I do what I want and I lose my mind
I always knew I was going southbound
I got a soul I had to sell
I knew I was evil for a reason
I knew I had to go to hell
I took it upon myself to build a temple here
I'm smoking and drinking far too much
You wouldn't believe the following I've got down here
I'm thinking of buying a big flash car
I always knew I was going southbound
I got a soul I had to sell
I knew I was evil for a reason
I knew I had to go to hell
'Cos see I'm all for beating Jesus
You see I wanna take that throne
I never said that it was easy
But I can beat him on my own
It's so reassuring here that I can fool myself
Out of my head on a power trip
Legions of millions eating out of these evil hands
And I'm ready to take this show to Earth
I always knew I was going southbound
I got a soul I had to sell
I knew I was evil for a reason
I knew I had to go to hell
'Cos see I'm all for beating Jesus
You see I wanna take that throne
I never said that it was easy
But I can beat him on my own
I always knew I was going southbound
I got a soul I had to sell
I knew I was evil for a reason
I knew I had to go to hell
'Cos see I'm all for beating Jesus
You see I wanna take that throne
I never said that it was easy
But we can beat him on our own
