You may think me very naive  
Taken as true  
I only see what I want to see

Avoid eye contact at all costs  
What can I do  
To see your fine teeth smiling at me

You might say  
That we should build a city of tears  
All I'm saying  
Is I'm alone and consequently  
Only my tears satisfy  
The real need of my heart  
I resist

You say that there's a thousand like you  
Maybe that's true  
I fell for you and nobody else  
So I'm standing here so lonely  
What can I do  
But learn to laugh at myself

You might say  
That we should build a city of tears  
All I'm saying  
Is I'm alone and consequently  
Only my tears satisfy  
The real need of my heart  
I resist

Fall falling falling again  
'Cause I want to take  
The pleasure with the pa-in  
Fall falling falling again  
'Cause I wan to take

The pleasure with the pain  
Pain pain pain pain pain  
Pa-pa-pa-pa-pa-pa-in

Falling and laughing

Falling and laughing  
Falling and laughing  
Falling and laughing
