When the wave pounds the shore
Good morning to my Lord
Take the cross and say the prayer
Come holy ghost come fill me

Every day Your mighty grace is new
Exalting is my need
Have I lost my sanity wanna praise you day and night

The moment I walk out the door
"Temptations!"
Gonna fight 'till the end of day

God of glory come to me. You fill my heart with joy
Give You my heart my soul my mind
You are the power come to me.
You fill my heart with joy.
Please embrace me with Your Love

Sometimes I fall sometimes I fear
Oh no no, righteousness is near.
All the lies from evil throne are going way way down

Love the power of the word
You disagree with me?
Living on the edges 'till my dying day
Carry me home!

The moment I walk out the door
"Temptations!"
Gonna fight 'till the end of day

God of glory come to me. You fill my heart with joy
Give You my heart my soul my mind
You are the power come to me.
You fill my heart with joy.
Please embrace me with Your Love
