Music & Lyrics by Thomas M. E.
Arrangement by Oratorio

Walking alone all the walls of lies ahead of me
And I couldn't see the truth.
Allways falling but there was somebody who picked me
up.
Helping hand that wiped all tears from my eyes.
He was the one that gave me love!

Chorus:
Jesus knowing you is the best thing I could know
Jesus faith is the way to you

Where to receive that love of which the Bible tells.
Lay your eyes to the cross
Lay your eyes to the Master.
The Holy Spirit shows the way how we should live our
lives.
Just dare to ask for help!
