(feat. Peter Cetera)

Feel your breath on my shoulder
And I know we couldn't get any closer
I don't wanna act tough
I just wanna fall in love
As we move into the night
I get crazy
Thinking how it's gonna be with you, baby
I don't wanna play rough
I've been loving you enough, oh baby

Wanna take forever tonight
Wanna stay in this moment forever
I'm gonna give you
All the love that I've got
I wanna take forever tonight
Fill you up, fill you up with love
When we close the door
All I need is in your eyes
I wanna take forever tonight

Touch my lips, I'm on fire
You're the only one
I'll ever desire
Turn the lights down low
Make the world go slow
When I'm holding you tonight
It's so easy
Nothing moves me like you do
When you tease me
And to rush would be a crime
I just wanna spend some time with you, baby

Wanna take forever tonight
Wanna stay in this moment forever
I'm gonna give you
All the love that I've got
I wanna take forever tonight
Fill you up, fill you up
Give you all my love tonight

When we close the door
All I need is in your eyes
I wanna take forever

And when I'm here beside you
I wanna see what drives you
Out of your mind
Oh baby
I never wanna leave
I only wanna be with you
'Cause I love how I feel
Your love is for real

I wanna take forever tonight
Wanna stay in this moment forever
I'm gonna give you
All the love that I've got

I wanna take forever tonight
Wanna stay in this moment forever
I'm gonna give you
All the love that I've got
'Cause I can't live without you
