Small town homecoming queen
She's the star in this scene
There's no way to deny she's lovely
Perfect skin perfect hair
Perfumed hearts everywhere
I tell myself that inside she's ugly

Maybe I'm just jealous
I can't help but hate her
Secretly I wonder if my boyfriend wants to date her . . .

(Chorus)
She is the prom queen
I'm in the marching band
She is a cheerleader
I'm sittin' in the stands
She gets the top bunk
I'm sleepin' on the floor
She's Miss America . . .
And I'm just the girl next door

Senior class president she must be heaven sent
She was never the last one standing
A back seat debutaunt everything that you want
Never too harsh or too demanding

Maybe I'll admit it
I'm a little bitter
Everybody loves her
But I just want to hit her . . .

(Chorus)
She is the prom queen
I'm in the marching band
She is a cheerleader
I'm sittin' in the stands
She gets the top bunk
I'm sleepin' on the floor
She's Miss America . . .
And I'm just the girl next door
Oh I'm just the girl next door . . .

I don't know why I'm feelin' sorry for myself (myself)
I spend all my time wishin' that I was someone else . . .

(Chorus)

She is the prom queen
I'm in the marching band
She is a cheerleader
I'm sittin' in the stands . . .
I get a little bit
She gets a little more
She's Miss America . . . yeah
She's Miss America
And I'm just the girl next door . . . hey yeah

Hey yeah . . . hey
And I'm just the girl
Oh I'm just the girl next door
Hey yeah yeah yeah
And I'm just the girl
Oh I'm just the girl next door
Hey yeah yeah yeah
I'm just the girl next door
Yeah yeah yeah
She is the prom queen
And I'm just the girl next door
Yeah yeah yeah . . .
