Fillin' up my empty days with red wine
Wonder whatchu think of me
Lyn' in the grass alone and wasted
Nothin's how it used to be

I want to be the first to call and tell ya
Yesterday I heard the news
I hear you ought to be congratulated
So I guess that's what I'll do . . .

(Chorus)

I'm so happy for you I could cry
Yeah I'm so elated
Cross my heart and hope to die
I don't think about you every night
Before I close my eyes
I'm so happy for you baby
I could . . . cry

Listen to the sound of my head pounding
Wish that it was make believe
Prayin' for the sky to open up and
Wash away your memory

I can walk around with a pretty face on
Even when I'm black and blue
What's the point in tellin' everybody
I'm not over you

(Chorus)

I'm so happy for you I could cry
Yeah I'm so elated
Cross my heart and hope to die
I don't think about you every night
Before I close my eyes
I'm so happy for you baby
I could cry about the love we used to have
Cry that I won't ever get you back . . .

Fillin' up my empty days with red wine
Wonder what you think of me . . .

(Chorus)
I'm so happy for ya I could cry
Yeah I'm so elated
Cross my heart and hope to die
I'm so happy for you
So so happy for you
I don't think about you every night
Before I close my eyes . . .
I'm so happy for you baby

I could cry.
