Well, here we go again
Another sleepless night
I don't think I have the strength
To take another fight

Well, what's the point in trying
We can't seem to get it right
I see black as black and baby
You see black as white

You've gone too far this time
Pushed our love to the limit
Still I can't imagine
Living life without you in it

Ohh, my, my, an injustice has been done
It's a shame, it's more than a crime
You've gone too far this time

Just like a rerun movie
I've seen you show before
I reach out, you pull away
Get up and slam the door

Like some prima donna actor
Out in old time Hollywood
Frankly dear, I don't give a
Anymore, but I wish I could

You've gone too far this time
Pushed our love to the limit
But still I can't imagine
Living life without you in it

Ohh, my, my, an injustice has been done
It's a shame, it's more than a crime
You've gone too far this time, gone too far

Like some prima donna actor
Out in old time Hollywood
Frankly dear, I don't give a
Anymore, but I wish I could

You've gone too far this time
Pushed our love to the limit
But still I can't imagine
Living life without you in it

Ohh, my, my, an injustice has been done
It's a shame, it's more than a crime
You've gone too far this time
You've gone too far this time

Everybody knows you, everybody sees you
If he's gone
Everybody knows you, everybody sees you
I can't stay here, too far this time

Gone too far like you always do, I can't do
