When the sunshine comes
I can feel it all over
Sunrise
Start my day over

Run outside
Look at my shadow
To the lake
Where the water is shallow

Get my feet wet

Want to spend my day in sun
And night under the stars

I like to roll in the grass
Feel the fresh air on me
Feel the warmth
Giving my thanks to sunshine
Sunshine

Wanna walk in the sand
Feet on fire
Get to the shade
Sit and admire the sunshine
Sunshine

Sunshine

Out with my friends in the middle of noon
Race to the beach gonna be there soon
A few more hours of daylight left
I'm not ready to go back yet

Sunshine comes
Feel it all over
Sunrise
Start my day over

Sunshine
