God, hear my prayer, all flesh shall come to thee.
Let perpetual light shine upon me, hosianna in the
highest.
Thy saints and thy angels may, receive me in Sion.
O lord, I have to confess I am blessed in sin, original
sin!

Grant me holy lord the faith, righteousness and
blindness.
For inexorable blasphemy, is the quintessence the
essence of the "I".
Enter through me, and salvation may exit through
sodomy.
Father of dogmatic light, libera mi, Domine, Deus!

Hear my gospel of desecration, a hymn of doubt.
Let the three holy thorns penetrate me, just for once.
May the choir of demons receive me, at the appendix
of paradise.
Temple of orthodoxism let me pay for my punishment,

For I shalt becometh king!

Sanctus, Sanctus, Sanctus
-Tremens factus sum ego et timeo

Sanctus, Sanctus, Sanctus
-Dum discussio venerit atque

Sanctus, Sanctus, Sanctus
-Ventura ira, ventura ira

Sanctus, Sanctus, Sanctus
Consummatum est, consummatum est

Amen!

I choose to do my exodus and I choose thy plague.
Thou choose thy ways to speak in tongues.

At the gates of thoughts I stand though the keys I have
not yet.

Chosen by the new trinity is few, but proud the chosen
stand.
Seven are the keys to man's own destruction and
perdition.
Now I have a reason for seeking keys to thy damnation.
