A vision waits inside of me,
It's a feeling of something,
Actions based on silent screams,
It's turning.
Eradication has it's flaws,
We're praying now,
Who's praying now?

Can you see me?
I'm crying.
You lie, you cheat,
It's the way it has to be,
Who waits for time?
Who tows the line?
All this you'll find,
Through angels' eyes.

A moment spent with all she meets,
Are you tired of talking?
Empty room and vacant sheets,
No reason.
Stay awake for what it's worth,
In circles, why?
In circles, why?

Can I see you?
You're dying.
Your life rings true,
It's the way you choose to be.
Who waits for time?
Who tows the line?
All this you'll find
Through angels' eyes.

This day brings us new light,
Take this life,
To Defy.
Seize,
Break these ties,
We confide,
Who resides?

Can you see me?
I'm crying.
You lie, you cheat,
It's the way it has to be,
Who waits for time?
Who tows the line?
All this you'll find,
Through angels' eyes.

We awake to wasted life,
Through choices made in compromise.
Who waits for time?
Who tows the line?
All this you'll find,
Through angels' eyes.
