At the border of the worlds Guardian,  
Separating lie and truth.  
Trembling flame of the candle,  
Shadow  
On the White Wall of Youth!

Eternal light  
Black flower is seared.  
In the broken mirror...  
Of the burning sky.  
Another cold tear  
Of the bloody rain.  
Eternal pain.

In my soul is emptiness,  
Darkness,  
It's cold like a grave.  
Hatefull mind.  
Of the Mankind  
Rebells  
From the old dusty cave!

Hallucinations of the day  
Are passing away...  
Great sorrow of The Grey

Forever will stay...

Black flower is seared  
In the broken mirror...  
Another cold tear  
Of sufferfull fear...

At the border of the worlds Guardian,  
Separating lie and truth.  
Trembling flame of the candle,  
Shadow  
On the White Wall of Youth!

In my soul is emptiness,  
Darkness,  
It's cold like a grave.

Hatefull mind  
Of the Mankind  
Rebels  
From the old dusty cave!  
Hallucinations of the day  
Are passing away...  
Great sorrow of The Grey  
Forever will stay...
