A CANDLE LIGHTS MY WAY BACK HOME
BACK THROUGH ALL THE TIMES AND THE PLACES I
HAVE ROAMED
THE LIGHT THAT SHINES KILLS THE SHADOWS OF THE
PAST
THE MISFORTUNES I AM LEAVING YOU ARE GOING TO
BE THE LAST

A change is coming, I promise
It has taken a while to prepare for all this
Well, I'm not afraid of what the future holds
Cause it surely leads me out of my own cold

A CANDLE LIGHTS MY WAY BACK HOME
BACK THROUGH ALL THE TIMES AND THE PLACES I
HAVE ROAMED
THE LIGHT THAT SHINES KILLS THE SHADOWS OF THE
PAST

THE MISFORTUNES I AM LEAVING YOU ARE GOING TO
BE THE LAST

I know it's hard to understand though
I've made up my mind and it's time for me to go
I thank you for the time we've had
As you read these lines I'm already dead

A CANDLE LIGHTS MY WAY BACK HOME
BACK THROUGH ALL THE TIMES AND THE PLACES I
HAVE ROAMED
THE LIGHT THAT SHINES KILLS THE SHADOWS OF THE
PAST
THE MISFORTUNES I AM LEAVING YOU ARE GOING TO
BE THE LAST
