The earth is calling  
The flute's enthralling rodent mammal muridae

Before the blooming of a new age,  
Renaissance takes death for granted

Xenopsylla Cheopsis cutting a caper  
Cavorting on the oeuvre of Ferdinand Loh

In the cadence of hooves' adagio  
White linen garments beckon eagerly  
As every third is found prostrated on the hearse

St. Rochus, St. Sebastian,  
Bless us from the scourge of mankind

Semen sowed in septic seedbed  
Bodies' buboes budding freely  
Flagellating flesh-furrows

Doctor Beak, the juggler  
Conducting his dreaded bÅŕton  
Exposes random lung and boil

The maestro of the mortals  
Spins obscene pirouettes throughout the operating  
theatre

Hemidemisemiquaver tarantella-scherzo  
Caravacan Phylakterium: get thee hence, blackest of  
plagues!

Your lymph-notes' rhythm  
Is symptomatic of  
S.evere A.cute T.anzwut S.yndrome

Expelle pestem a me et a loco isto et libera me  
Col tempo, la tempesta  
Gluttony satiated?
