You come before me in heels of silver
Disguised in seams restrained in heels
You kneel before me compelled to follow
In girdle clenched confined to please

Your skin detained in corset's embrace
In stockings wed thou shall concede
Your lust extends beyond conventions
Excess shall quench your burning needs

Your legs concealed in silken nylon
My conscience cleansed your skin undressed
Your soul unbound consents compliance
Conceive yourself embrace excess

You kneel beside me in strings of bondage
You kneel before me compelled and graced
Surrendered princess dressed in stockings
Suspender princess hourglass shaped
