Confide in me and tell me, why the worthless never die
And tell to me my darling, why we cast our pearls to
swine

Please come to me and show me, why the dead refuse
to bleed

Why nothing lasts forever, and the past can't be
retrieved

I am the alpha and the omega; I am the beginning and
the end.

I am the answer I am the enigma; I am the flame which
never ends

No love will ever save you, no kisses are too deep
No cross will give you answers, or satisfy your needs
No faith will give you pleasure, that takes away the pain
But hate will give you meaning, and make you feel
again

I am the alpha and the omega; I am the beginning and
the end.

I am the answer I am the enigma; I am the flame which
never ends

Are we living just for pleasure, or for reasons yet
unknown?

Let us realize our secrets, when we reach into my soul
Let my dreams be remembered, when I lay down not to
sleep

Hell is where the heart is, it's a place for you and me

I am the alpha and the omega; I am the beginning and
the end.

I am the answer I am the enigma; I am the flame which
never ends
