I submit my soul to rapture,
In the kisses of the scarlet ones
Their Apocalips are gentle,
Till the morning when perfection comes
They are naked and relentless,
As they carry me to devildom
In their eyes I rest forever,
Till the moment when forever comes

In the Eyes of the Scarlet Ones

I submit myself to rapture,
In the kisses of the scarlet ones
I am tasting their Apocalips,
Till the morning when completion comes
I am naked I am longing,
As they carry me to devildom
In their arms I rest forever,
Till the moment when forever comes

In the Eyes of the Scarlet Ones

I submit my flesh to rapture,
In the kisses of the scarlet ones
Their Apocalips are pleasing,
Till the morning when fulfilment comes
They are yearning and forgiving,
As they carry me to devildom
In their love I rest forever,
Till the moment when forever comes

In the Eyes of the Scarlet Ones

I submit my mind to rapture,
In the kisses of the scarlet ones
I desire their Apocalips,
Till the morning when salvation comes
We are naked and united,
As they carry me to devildom
In their womb I rest forever,
Till the morning when our kingdom comes
