My loved doll, in rubber thong
You know to whom, you do belong
Your garters hold, your stockings strain
Tender love, within restraint
Tightened strings, crown your back
Ashen skin, arranged in black
6-inch heels, enhance your feet
Seductress who, belongs to me

Naked thighs, detained in lace
I show you love, I show you grace
Nipples firm, but in disguise
Fastened garters, dress your thighs
A corset holds, your body lush
With lustful bonds, of sanctioned trust
In stockings, you emerge to me
My loved doll, in 6-inch heels
