This is darkness  
Who will bring the light  
Can you peer through the crucified  
I am not one  
Blessed be life  
There will be light  
Looking through the glass  
Seeing what's not to be seen  
Frozen angels whisper  
Is salvation?  
We are one  
Side by side

This is darkness  
Who will bring the light  
Can you live through servitude  
I am not one  
Blessed be life  
There will be light  
Singing with the angels  
Live and realize  
Frozen angels whisper  
Is salvation?  
We are one  
Side by side
