In love and servitude  
See pleasure in pain  
My angel ov Dominance  
Ov love and restraint

I honor your servitude  
My Incubus ov sex  
Our ritual ov love and pride  
Ov passion and Little Death

Sacrilege ov love  
Sacrilege ov life  
Sacrilege in flames  
Sacrilege ov light

I mistress ov dominance  
In love with mastery  
Succumb to slavery  
Ov naked white flesh

Feel the whip caress  
A veil ov naked love  
My angel ov dominance  
Ov pleasure and pain
