Half way to crazy  
Not far from sane  
Oh, sick and tired for all of your games  
and all I ever wanted was you to take care of me  
Honor thy mother, oh and father too  
But I know there ain't no way in hell that God mentioned  
you  
and all I ever wanted was you to be there for me  
oooooo, and all I ever never needed was you to be here  
for me

This time is the last time you're gonna see us, around  
Oh this was your last chance to prove you wouldn't let  
me down  
So go on get gone and get away from here A...lone  
Oh alone is how your gonna spend the rest of your  
years  
cause Im no Farmer daughters anymore, Mommy dear

I remember back in high school  
my brothers and me, Willy put his head through the  
door to find clarity

and you'd come home with Burban breath  
Jack in the air  
and when you broke my bones I told the school I fell  
down the stairs  
all I ever wanted was you to be there for me  
and all I ever needed was you to be here for me

This time is the last time you're gonna see us, around  
Oh this was your last chance to prove you wouldn't let  
me down  
So go on get gone and get away from here A...lone  
Oh alone is how your gonna spend the rest of your  
years  
cause Im no Farmer daughters anymore,  
I aint no farmers daughter any more  
No farmers daughter anymore, mommy  
dear.....Mommy dear
