Half way to crazy  
Not far from sane  
Oh, fucking sick and tired of all of your games  
And all I ever wanted was you to take care of me  
Honor thy mother, oh and father too  
But I know there ain't no way in hell that God mentioned  
you  
And all I ever wanted was you to be there for me  
Oooooo, and all I ever never needed was you to be  
here for me

This time is the last time you're gonna see us, around  
Oh this was your last chance to prove you wouldn't let  
me down  
So go on get gone and get away from here  
Alone  
Oh alone is how your gonna spend the rest of your  
years  
'Cause I'm no farmer's daughter anymore,  
Mommy dear

I remember back in high school  
My brothers and me

Willy put his head through the door to find clarity  
And you'd come home with bourbon breath  
Jack in the air  
And when you broke my bones I told the school I fell  
down the stairs  
All I ever wanted was you to be there for me  
And all I ever needed was you to be here for me

This time is the last time you're gonna see us, around  
Oh this was your last chance to prove you wouldn't let  
me down  
So go on get gone and get away from here  
Alone  
Oh alone is how your gonna spend the rest of your  
better years  
'Cause I'm no farmer's daughter anymore,  
I ain't no farmer's daughter anymore  
No farmer's daughter anymore, mommy dear.....

Mommy dear
