There's something happening here  
And what it is ain't exactly clear  
There's a man with a gun over there  
Telling me I got to beware

I think it's time we stop, children,  
What's that sound  
Everybody look what's going down,  
Yeah...

There's battle lines being drawn  
Nobody's right if everybody's wrong  
Young people  
Should be speaking their minds  
Getting so much resistance from behind

We gotta stop, children,  
What's that sound  
Everybody look what's going down, yeah,  
What's going down,  
Down, down, down...

And what a field day for the heat  
A thousand people in the street  
Singing songs and carrying signs,  
Mostly say "hooray for our side"

I think it's time we stop, children,  
What's that sound  
Everybody look what's going down,

Yeah, hmm, oh, yeah, it's on me...

Paranoia strikes deep into your life,  
It will surely creep  
Well, it starts when you're always afraid  
You step out line,  
The men come and tear you away

We gotta stop, children,  
What's that sound  
Everybody look what's going down

Now stop, children,  
What's that sound  
Everybody look what's going down  
Now stop, children,  
What's that sound  
Everybody look what's going down  
Now stop, hey,  
What's that sound  
Everybody look what's going down,  
Yeah...

What's going down,  
Down, down, down,  
Hmm, what's going down  
I think it's time we stop
