Where do all the lovers meet with one another,
In an effort to uncover what has happened to the silent
days?

Despite ones on the corner, dream of something
warmer

A semblance of our old ways, what has happened to
our handmade days?

Oh no

Oh no

Oh noooooooooo

We can pull a map out detailing the direct route
Young ones grow anxious to proclaim their advances to
the fray

If we don't wake up and the truth never comes up

You will never have our old lane, you will never have a
right of way

Oh no [x8]

Hey-oh!

Oh no [x8]

Hey-oh!

Oh noooooooooo

Where do all the lovers meet with one another,
In an effort to uncover what has happened to the silent
days?

Despite ones on the corner, dream of something
warmer

A semblance of our old ways, what has happened to
our handmade days?

Oh no [x4]

Hey!

Oh no [x4]

Hey-oh!

Hey-oh!

And won't you show us where your heart is?
