Hmm,  
Hey, yeah...

There ain't no reason for me  
To hang around this town no more  
I'm gonna pack it up, move on out  
And start searching for the shore  
And sell my life as I know it  
To anyone with land to buy  
'Cause it ain't worth much to me  
To stay here and sit around and cry

But if you think you're gonna miss me  
When I'm gone, speak now, darling,  
Or you will never know...

Well, I don't care if you like it,  
'Cause, honey, this is not your life  
I will never be held prisoner,  
I will never be your wife  
I learned that friends are overrated,  
Oh, and lovers come and go  
But if all you do is dream about it,  
Well, then you've got nothing to show

But if you think you're gonna miss me  
When I'm gone, speak now, darling,  
Or you will never know,  
Hmm...

(Ooh...)

Hmm, for once the engine starts turning  
And these wheels, they hit the road,  
I ain't ever coming back  
To this town called Chicago  
Oh, well, I'm leaving it all behind me,  
There ain't no place that I call home  
And I'm tearing this heart  
Right off of my sleeve  
And, honey, I'm turning it into stone

Ooh, well, I think I'm gonna miss you  
When I'm gone  
So kiss me once, kiss me twice,  
Maybe I'll stay for just one more night  
And honey, say what you feel,  
Please mean what you say  
I wanna hold onto you one more day

But if you think you're gonna miss me  
When I'm gone, speak now, darling,  
You will never know,  
Ooh, speak now, darling,  
You will never know,  
Ooh, speak now, darling,  
Or you will never,  
You'll never know...
