CHORUS:

Here's my chance but if I take it,
Can we keep it going strong?
It's my heart, don't wanna break it.
I don't wanna do wrong.

Been down this road before.
But how can I sure,
Things will work out right?

Will I ever know,
Just how love will grow?
If this will be the time...

I used to fall so easy.
(Fall so easy)
Until it all fell apart.

CHORUS

I used to think that
I could keep love by my side
I only have to try.

Boy, if I let you in,
Will I lose again?
Will you change my life?

Well, I could fall so easy.
(Fall so easy)
Don't want it all to fall apart.

CHORUS

Don't wanna do wrong.
It's gotta be right.
Don't wanna do wrong.
Will love the last the rest of my life?

Don't wanna do wrong.
It's gotta be right.

Don't wanna do wrong.
Will love last the rest of my life?

I've been wrong before.
Don't wanna have to pick my heart up off the floor.
No more, no more, no more.

I've been wrong before.
I never want to have to see you walk right out my door.
No more, no more, no more.

I could fall so easy.
(Fall so easy)
Until it all fell apart.

CHORUS X2

Don't wanna do wrong.
It's gotta be right.
Don't wanna do wrong.
Will love last the rest of my life?

(Fade out)
