Tonight, you say you need me.
You swear you'll never leave me.
And I want to believe it's true.

Your words are warm and tender.
And I long to surrender.
Forever give myself to you.

But I need to know I'm not alone.
When I step into the great unknown?

CHORUS:

Show me with your hands you know the way.
Tell me with your eyes that I'll be safe.
Promise me that I'll never be afraid another day.
Give my heart a reason to believe,
The love in you is all I'll ever need.
I'll take a breath and let go of it all.
I'll close my eyes and fall.

So many good excuses.
Just clouding what the truth is.
A million reasons not to go.

They all sound so convincing.
To keep me from beginning.
But deep down I already know.

What I'm looking for I'll never find.
'Till the fear is gone and faith is blind.

CHORUS

(Fall)
With complete abandon
(Fall)
Don't know where I'm landing
(Fall)

CHORUS X2

Fall...

(Fade out)
