If I only knew the words you long to hear,  
They always slip away when you're near.  
I can barely catch my breath.  
Don't you see what you do to me?

So afraid the naked truth might break my heart.  
That I don't know how to find a way to start.  
How much longer do I have to dream this dream,  
Before I wake up?

CHORUS:

So good at hiding what I feel inside.  
So bad at showing, but I can't deny it all.  
The sun is shining, but love's got me blind.  
If I jump, would I fall?  
Or would we be falling in love.

If I could only find the book or recipe  
That could make me make you make a move on me...  
I know a hundred things to say but what to do?  
When it comes to me and you...

CHORUS

I know to talk my way out of a ticket and  
I know how to make an angry school girl smile  
And when I need to I can get a little wicked  
But I don't have a clue when it comes to you, yeah...

CHORUS X2

Falling in love...  
The sun is shining but love's got me blind  
If I jump, would I fall?  
Or would we be falling in love?
