Mimi

What's the time?

Well it's gotta be close to midnight

My body's talking to me

It says, 'Time for danger'

It says, 'I wanna commit a crime

Wanna be the cause of a fight

I wanna put on a tight skirt and flirt

With a stranger'

I've had a knack from way bakc

At breaking the rules once I learn the

Games

Get up-life's too quick

I know someplace sick

Where this chick'll dance in the flames

We don't need any mondy

I always get in for free

You can get it too

If you get in with me

Let's go out tonight

I have to go out tonight

You wanna play?  
Let's run away  
We won't be back  
Before it's Christmas Day  
Take me out tonight (Meow)  
When I get a wink from the door man  
Do you know how luck you'll be?  
That you're on line with the feline of  
Avenue B  
Let's go out tonight  
I have to go out tonight  
You wanna prowl  
Be my night owl?  
Well take my hand we're gonna howl  
Out tonight  
In the evening I've got to roam  
Can't sleep in the city of neon and chrome  
Feels too damn much like home  
When the Spanish babies cry  
So let's find a bar  
So dark we forget who we are  
And all the scars from the  
Nevers and maybes die  
Let's go out tonight  
Have to go out tonight

You're sweet

Wanna hit the street?

Wanna wail at the moon like a cat in

Heat?

Just take me out tonight

Please take me out tonight

Don't forsake me-out tonight

I'll let you make me-out tonight

Tonight-Tonight-Tonight
