Your eyes, as we said our goodbyes
Can't get them out of my mind
And I find I can't hide from

Your eyes, the ones that took me by surprise
The night you came into my life
Where there's moonlight, I see your eyes

How'd I let you slip away
When I'm longing so to hold you
Now I'd die for one more day
'Cause there's something I should have told you
Yes, there's something I should have told you

When I looked into your eyes
Why does distance make us wise?
You were the song all along
And before the song dies

I should tell you, I should tell you
I have always loved you
You can see it in my eyes
