

Orion Riders "Old Symphony"

Visit "[Old Symphony](#)" on MotoLyrics.com

"Try to see the future with eyes of innocence
through the eyes of the Master world,
who received you with open arms"

One of us is the subject of a divine will
Here I am on the high seas
and nobody will help me!

"Why don't you understand, you must go on
Poor weak soul, you are not the only one"

Old Symphony...
Please help me... to live forever!

"Life is but a moment,
you must live it with all your heart,
Open your mind, try to fly again"

My words in vain, now I have questions for you
I'm going far away... my Old Symphony!
Now I can fly in the skies of good and evil
The Silence my guide so my thoughts live on!
Tears and pain! - "Don't cry my friend" -
Fear of the truth - "Voices call you" -
Moments of life - "See the light tonight" -
Return my Soul!

You are my Hell - "Your empty mind" -
You are my Heaven - "Your weak soul" -
Night has come - "No time, no fear" -
It's time to dream!

My words in vain, now I have questions for you
I'm going far away... my Old Symphony!
Now I can fly in the skies of good and evil
The Silence my guide so my thoughts live on!

Destination, I can see you,
I feel the fire inside me
But I don't need you,
I'm searching my way alone... alone!
