This was once upon a time  
In a story  
As The palaces of the dwarves  
Shined with glory

That's the only trace  
In this corrupted space  
The Mirkwood's spirit seems to be agai---nst

Orcish strongholds in the deeps  
Of misty mountains  
Just two swords able spread the fear  
And their worries

Who's there in gate  
Just shadow on the land  
Wretching screams are rolling in the da---rk

[Chorus:]  
Dreams of life beyond my Shire beloved  
Across the hills of Middle-earth  
Dark's the forest that embrace my soul  
It drifts me far oh far awa---y

Rising Lonely Hills  
In their bleakness  
Awaits the descent of the kings  
And his tendance

That's the only way  
Beyond the Mavis gate  
Lays Smaug the dragon and wants fly awa---y

[Chorus:]  
Dreams of life beyond my Shire beloved  
Across the hills of Middle-earth  
Dark's the forest that embrace my soul  
It drifts me far oh far awa---y

Moon and stars  
Let's shine upon our way  
Open the arms

Of immortals, (their) graveyards

The ends, my friends  
Are whispering spot apart  
As we are  
Falling restless in the time
