Music: Mikael Dahl - Lyrics: Mikael Dahl

As the moon begins to burn  
I can hear a noise  
From deep within myself  
Like a trembling voice

Pre Chorus:

Another sound roars in my head  
Who is calling me  
Like a storm inside my body  
Please leave me be

Now the voice begins to speak  
And I realize  
It's someone from far away  
Far beyond our skies

Pre Chorus:

As he rise inside my body  
With all his might  
Now my life is in his control  
I am his light

Chorus:

Another race on the earth  
With souls from far  
They've chosen us for their birth , realize  
We are not alone , (we are not alone)  
They were always there , (they were always there)  
And it was only a matter of time

Solo: Dahl

As the moon begins to burn  
I can hear a noise  
From deep within myself  
Like a trembling voice

Pre Chorus:

Another sound roars in my head  
Who is calling me  
Like a storm inside my body

Please leave me be

Chorus:
