Music: Mikael Dahl - Lyrics: Mikael Dahl

I was born in the unknown  
I am the ruler in knowledge of prophecy  
The beholder of your life

Life is sometimes very strange  
You can never know what's waiting behind the corner  
Tomorrow you may be gone

Pre Chorus:

You don't know the end of your life,  
only that you where born  
In my eyes I can see your future

Chorus:

Crystal eyes - I see the shadow in the dark  
Crystal eyes - I see the face under the mask

I see the growing hate and fear  
I can see what's on a dictator's mind,  
but I don't wanna realize

Down-heated in the jaws of death,  
that will be the end of all the peoples life  
And we all will be gone

Pre Chorus:

Chorus:

Solo: Both, Dahl

Bridge:

I got eyes of the future  
I can see the end of the Earth  
Someone will blow up the world  
War, death and starvation  
We have gone to far  
It's time to pay with our lives

Pre Chorus:

Chorus:

It's time to pay the price
