One thing 'bout this heart of mine  
All my hurts got a mending time  
It don't leave no scars behind  
I'll get over you  
I'll find me a guy one day  
Whos not scared to give his heart away  
When i do It's safe to say that I'll get over you  
Chorus  
Ill get over you  
Ill get through it when I do  
Ill be good as new  
When I get over you  
From now on think I'll lay low  
Ill talk fast but I'll move slow  
You taught me all I need to know  
'bout gettin over you  
Sometimes I think I love you still  
Wonder if I always will  
But I know it's just untill I get over you  
Chorus  
Sometimes think I love you still  
Wonder if I always will  
Love for you's so hard to kill  
But I'll get over you  
Chorus 4x
