Well, I
Here it comin.
I can
Feel it in my bones.
And its
Weighin heavy on me
Like a
Sack full of stones!
And I
See it in your eyes, baby,
Each time we meet
And I
Sense somethin movin
Underneath our feet!
Baby, our love is on the fault line!
And you're sayin that the faults mine!
I can't believe that you're so blind
Cant believecant believe!
Youve been stirrin up an earthquake!
Youve been cookin up a heartbreak.
And I hope it aint too late
For our loveFor our love!
Now there's a
Chilly wind a blowin,
And its
Whippin up a gale!
Storm clouds are brewin,
And I
Know it's gonna hail!
And I
See it in your eyes, baby,
Each time we meet
And I
Sense somethin movin
Underneath our feet!
Baby, our love is on the fault line!
And you're sayin that the faults mine!
I can't believe that you're so blind
Cant believecant believe!
Youve been stirrin up an earthquake!
Youve been cookin up a heartbreak.

And I hope it aint too late
For our loveFor our love!
I feel it in my bones
I see it in your eyes
Comin Up behind
Here it comes
Hold on tight!
Youve been stirrin up an earthquake!
Youve been cookin up a heartbreak.
And I hope it aint too late
For our loveFor our love!
Our love is on the fault line!
And you're sayin that the faults mine!
I can't believe that you're so blind
Cant believecant believe!
Youve been stirrin up an earthquake!
Youve been cookin up a heartbreak.
And I hope it aint too late
For our loveFor our love!
Our love is on the fault line!
And you're sayin that the faults mine!
