(verse 1)

Three o'clock in the morning
And it looks like it's going to be another sleepless
night
I've been listening to your dreams and getting very low
Wondering what I can do

(verse 2)

Maybe I'm being foolish
cause I haven't heard you mention anybody's name at
all
How I wish I could be sure it's me that turns you on
Each time you close your eyes
I've heard it said that dreamers never lie

(chorus)

You've been talking in your sleep
Sleepin' in your dreams
With some sweet lover
Holding on so tight
Lovin' her the way
You used to love me
Talkin' in your sleep with lovin' on your mind.

Repeat verse 2

Repeat chorus
