Music: Mikael Dahl - Lyrics: Andreas GÃfÃfÃ,Ã¶tesson

Striding slowly on this ancient path  
Along the river of promises  
Trees that taunt me , I hear them laugh  
Spurring me on with their mocking leaves

Silver moonlight , touching the stream  
Makes it shimmer like molten steel  
Is this reality or just a dream  
Confusion and strangeness are what I feel

Pre Chorus:

Walking down the shadowed path  
Beyond the threshold of no return  
Regrets and memories fade away  
As I travel onÃfÃçâ, -Ã,Ã¡

Chorus:

The shadowed path  
Wandering eternally  
The shadowed path  
I am lost forever

Solo: Both
