[Music: Mikael Dhal, Claes Wikander o Lyrics: Mikael Dahl]

They came from far away,  
From a land in a frozen time  
Through ice and snow they walked  
With their broken homes in mind,  
They cried!

Without a warning  
They ended all lifes in their way  
In search for a land  
Where they could forever stay

[Chorus]  
Blood on the snow and cries in the wind  
Wictims of hate, they fell to the ground  
One by one, they tasted vengeance  
No one could fight the soldiers in a frozen time

With tears in their eyes  
The ground was painted in red  
They searched for revenge,  
By tghe frozen hate they were led

[Chorus]

[Bridge:]  
A battle in tears for the homes they had  
Lost in the cold  
They murdered all those who dared to  
Come in their way

[Solo: Nyberg - Dahl]

Who where those soldiers  
With frozen hate inside  
And all poor victims  
Who had no place to hide

[Chorus]

[Bridge:]

...the soldiers in a frozen time they murdered all  
Those who dared to come in their way
