Crystal Eyes
"You Never Gave Up On Me"

For all the times you stood by me,
Through right and wrong,
For being there to catch me when I'd fall,
I love you for your faith in me,
For all the joys you've given me,
But there's one thing makes me love you most of all.
You never gave up on me when I was giving love up on
you,
Every time I thought this love can't work
You stayed to see it through.
You never gave up on me when I was making
Things rough on you
And you showed me what it really means to love
somebody.
And though sometimes we might not see thing eye to
eye,
You've always met me more than half the way,
So for all the times I've let you down
And you could have packed your things and gone,
I love you most of all because you stayed.
And you never gave up on me
When I was given love up on you,
Never mattered who was right or wrong,
You stayed to see it through,
You never gave up on me,
When I was making things rough on you,
And you showed me what it really means to love.
There were times I just knew you,
Did not understand the moods,
All those long and sleepless nights I put us through,
But you stuck by me anyway,
Gave me love everyday
And now there's nothing,
In this world I wouldn't do for you.
Cause you never gave up on me,
When I was giving love up on you,
Every time I thought this love can't work,
You stayed to see it through,
You never gave up on me when,
I was making things rough on you,
And you showed me what it really means to love.

Cause you never gave up on me,
When I was giving love up on you,
Every time I thought this love can't work,
You stayed to see it through,
You never gave up on me when I was,
Making things rough on you,
And you showed me what it really means to love
