It's hard to bear the weight of a troubled world  
It's hard to forget the pain that you still hold  
Forgotten roads, leads to where the years they left  
behind.

Memories of a distant past very hard to find  
Look into my eyes and tell me what you see  
In my dreams words away won't you set me free

Can you understand what I'm trying to tell you  
Do you want to know me as much as I want to know you  
Can you understand, do you want to understand  
Do you want to know me as much as I  
Want to know you

Inside of me the flames still burning set  
To tear apart  
The pieces of a broken young, a child  
Inside my heart  
When they're away do you feel alone  
Do the walls come down on you  
In spite of all the bitterness do you  
Believe it's true  
Look deep into my soul and tell me what  
You see  
Cause in my dreams words away won't you set me free
