

Orphee's Cry "As I Lay Dying"

Visit "[As I Lay Dying](#)" on MotoLyrics.com

You made me do it, blame yourselves
If you're insecure, take your pills

I heard your sighs
(We heard your sighs)
I saw your smiles
(We saw your smiles)
I could not care less, could I care less?
No, no

My dying body, my rotting body
Already lying in my eternal bed
A dark and so tight coffin
(Tight coffin)
Bought by my so-called friends

You know your lives are meaningless
You can keep making fun of us
But that won't get you very far

I heard your sighs
(We heard your sighs)
I saw your smiles
(We saw your smiles)
I could not care less, could I care less?
No

My dying body, my rotting body
Already lying in my eternal bed
A dark and so tight coffin
(Tight coffin)
Bought by my so-called friends

My dying body, my rotting body
Already lying in my eternal bed
A dark and so tight coffin
Bought by my so-called friends

My dying body, my rotting body
Already lying in my eternal bed
A dark and so tight coffin
(And so dark and so tight)

Goodbye, my so-called friends
