I'm sitting on my broken red chair
I'm sitting on my broken red chair
Bored as much as I was yesterday

I'm sitting on my broken red chair
I'm sitting on again and again
Waiting for the life to make it's way

I'm sitting on my broken red chair
I'm sitting on my broken red chair
Bored as much as I was yesterday

And I feel it in my broken red heart
(Sitting on my broken red chair)
I feel it in my broken red heart
They shouldn't take the lights from your eyes

And they take it
And they break it
And I wonder how long this will last
And they break it
And they take it far away

I'm looking at the broken red light
I'm looking at the broken red light
Hoping that we're never coming back

We're dying in this broken damned town
(Sitting on my broken red chair)
We're dying in this broken damned town
Could you find a way to save our lives?

And they take it
And they break it
And I wonder how long this will last
And they break it
And they take it far away

And they take it
And they break it
And I wonder how long this will last
And they break it

And they take it far away

I'm sitting on my broken red chair
(Sitting on my broken red chair)
I'm sitting on my broken red chair
Bored as much as I was yesterday
(Sitting on my broken red chair)
