

Orphee's Cry "Feather"

I'm flying like
A feather in the sky
I'm too weak to
To fight against the wind

And I fell from something
Too high I could not reach
And I fell from something
Too high I could not reach

Sometimes I feel like I've been taken from you
It makes me sick 'cause now I'm in love with you

I'm running like
The blood into your arm
You made a notch
I'm running on the ground

And I try to get something
Too perfect to be real
And I fight against something
Too strong I could not beat

Sometimes I feel like I've been taken from you
It makes me sick 'cause now I'm in love with you
