One, two, three, sex

First time was clear
World appeared me while I was watching you
Trying to bear
What happened to me I knew I'll destroy you, yeah
I knew I'll destroy you

Destroy it
Destroy it
Destroy it
And finally leave this hell
Destroy it
Destroy it
Destroy it
And feel the same again

Until my death
Wasting our last chance for this obsession
Why can't I just love her?
Why be such a monster?
It's my obsession, yeah
My fucking obsession

Destroy it
Destroy it
Destroy it
And finally leave this hell
Destroy it
Destroy it
Destroy it
And feel the same again

Destroy it
Destroy it
I feel this obsession, yeah
Destroy it
Destroy it
I feel this obsession, yeah

I feel this obsession, yeah
I feel this obsession, yeah
