Would you love me if I say
"Would you give me one more chance"?
Would you love me if I cry?
The time has come for this to die

'Cause I leave you
I'm tired to ask myself
'Cause I leave you

What if?
What if?
What if?
What if?

What if?
What if?
What if?
What if?

What you told me was a lie
Now I see anger in your eyes
No, no, no, no
And would you love me if I pray?
Would you give me one more fucking chance?

And I don't think so
I'm tired to ask myself
I don't think so

What if?
What if?
What if?
What if?

What if?
What if?
What if?
What if?

I'll always ask this question
I'll always ask this question
(And I don't think so)

I'll always ask this question
I'll always ask this question
(And I don't think so)

I'll always ask this question
I'll always ask this question
(And I don't think so)
I'll always ask this question
I'll always ask this question, yeah

(What if?)
I'll always ask this question
(And I don't think so)
(What if?)
I'll always ask this question
(And I don't think so)
(What if?)
I'll always ask this question
(And I don't think so)
(What if?)
I'll always ask this question
(And I don't think so)
